Reading aloud to your child and sharing books are great ways to nurture a love of reading and to get your child ready for school.

1,000 books may seem like a lot, but if you read just one book a day, you'll meet the goal within 3 years. If you read three books a day, you could reach the goal in just one year! Visit Cloquet Public Library often to find great books to share with your child.

THIS PROGRAM IS MADE POSSIBLE BY THE LENGOL GIFT FOR CHILDREN. THANK YOU!
